

MPM-2000U

USB Studio-Quality Condenser Microphone for DAW Recording

Topping the line of Marantz USB microphones, the MPM-2000U is perfect for recording high-quality audio directly to a digital audio workstation (DAW). Its studio-quality frequency response and built-in 48kHz/16-bit A-D converter make it ideal for recording vocals, instruments and percussion.

Features

- Studio-quality USB condenser microphone
- Designed for DAW recording
- High-quality 48kHz/16-bit A-D converter
- Fast transient response
- Complete with shock mount, USB cable and carrying case
