

# 2-way Indoor Siren

RF-7120-07-1

## OVERVIEW

This 2-way wireless indoor siren, using the latest 80Plus technology, completes your ZeroWire wireless intrusion system.

This siren can be installed easily thanks to its wireless communication, power and learn-mode technology.

It also provides the required safety and security compliant with the EN50131 regulations.

The siren is delivered with a standard 9V lithium battery & 4xAA alkaline batteries.

## FEATURES

- Secure, encrypted 80Plus technology (LoNa)
- Easy learn-in procedure: LED confirmation of sent and received messages
- Pry-off and opening tamper protection
- Complies with EN50131 - approvals pending
- Full wireless solution: Communication and power
- 3 years battery lifetime (based on usage)
