Reflections

"The common theme of this piece is water and sky," explains interior designer and winner of our Design a Rug contest, Liz Hause. Inspired by a photo she captured from an airplane window, Hause created blue sky above and land below reminiscent of a water reflection dappled by sunlight. Luxuriously soft bamboo-viscose yarns translate sunlight's shimmering effect while hand-crafted loop pile highlights her geometric irrigation farms. The result? A stunning textural landscape in an equally dazzling color palette. In other words, a truly winning design.
