FACTORY RIDE AWARD

Back by popular demand, the BLU CRU Factory Ride Award program returns for 2026 to give amateur racers a chance to win the complimentary use of a YZ motorcycle for the following race season, in addition to a \$2,500 Yamaha parts credit.

The 2026 BLU CRU Factory Ride Award will be presented to the Yamaha rider with the most cumulative points at each of the country's three biggest amateur motocross events:

- Western Canadian Amateur National (WCAN) in Raymond, AB (July 2-5)
- Eastern Canadian Amateur National (ECAN) in Deschambault, QC (July 21-26)
- Walton TransCan Grand National Championship in Walton, ON (August 11-15).

“For over the past decade, we have proudly offered the coveted BLU CRU Factory Ride Award to elite amateur riders across the country,” explains Justin Balkos, BLU CRU Product Line Manager, Yamaha Motor Canada. “This award is much more than a parts credit and free use of a YZ, it has grown into an accomplishment that puts our top MX Amateur Racers on the radar of factory teams and sponsors.”

In 2025, Travis Gibbs (WCAN), Johnathan Bergeron (ECAN) and Chandler Powell (TransCan) took home the award and joined the ranks of past winners Dylan Wright and Tanner Ward, who have grown to be elites in our sport.
